COUNTY FISCAL LETTER (CFL) NO. 05/06-09

TO: ALL COUNTY WELFARE DIRECTORS

ALL COUNTY WELFARE FISCAL OFFICERS

SUBJECT: AUGMENTATION TO THE FISCAL YEAR (FY) 2004/05

CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS (CalWORKs) SINGLE ALLOCATION FOR THE MAY 2005

REVISE

REFERENCES: CFL No. 04/05-15, dated September 2, 2004;

CFL No. 04/05-17, dated September 2, 2004; CFL No. 04/05-26, dated September 27, 2004;

CFL No 04/05-40, dated March 4, 2005; CFL No. 04/05-46 dated May 5, 2005; and CFL No. 04/05-48, dated May 24, 2005

The purpose of this letter is to inform counties of an augmentation to the FY 2004/05 CalWORKs Single Allocation. As a result of the recently completed May Revise process, an additional \$4.7 million has been distributed. This increase is the net result of adjustments made to individual premises within CalWORKs Single Allocation. The attachment displays the revised FY 2004/05 CalWORKs Single Allocation.

As stated in CFL No. 04/05-40, dated March 4, 2005, there has been a policy change regarding premise adjustments. In the past, adjustments were made to only those premises in which funding had increased over the appropriation level. However, as a result of the ongoing pressure on the State General Fund and the State's Temporary Assistance for Needy Families (TANF) Block Grant, premises have been adjusted for both increases and decreases in funding, provided that the overall impact is an increase to the allocation.

Adjustments were made to counties' allocations based on the methodology employed for each individual premise in the initial allocation. For those counties with a net decrease to their current allocation level, no adjustment was made. The augmentation was distributed to only those counties with a net increase.

In addition, counties are advised that the allocation amounts provided in CFL 04/05-26 which transmitted the Revised FY 2003/04 CalWORKs Single Allocation Rollover Planning Allocation are now final.
